

FROM THE DESK OF INDIA HALL, MSAC, ABR, RENE, SFR

DEAR NEIGHBORS,

Thank you for allowing me your attention for 10 minutes or less. My name is India Hall. I have been an Oak Creek resident since June 2016 and have enjoyed every minute of it. I live in the Poplar Turn section which is just beyond the main gate.

ABOUT ME

I am a wife to an entrepreneur and a girl-mom of an 18-year-old special education student. I am the former Chief Financial Officer (CFO) of a real estate law firm that heavily contributed to the development in Montgomery County and provided legal services to HOA and condominium communities in our local area. I am now a full-time real estate agent serving Maryland and Washington, DC, a real estate investor, a real estate mentor, CEO of a real estate team, and a landlord. I am more internally fulfilled in my real estate endeavors and happy that I made the leap to transition full time as it allows me to be the creative force behind my work, have a flexible schedule, help people, and strategically build wealth for my family.

WHY AM I INTERESTED IN BECOMING AN OAK CREEK BOARD MEMBER?

Oak Creek is an amazing community. I think we all can attest to that. I want to be more involved where I live. I would love the opportunity to be a voice for my neighbors and help to accomplish the things we all find important. I believe that my accounting background coupled with my real estate background can add tremendous value to the community and the board and contribute to the security of our investments for years to come.

Thank you for taking the time to read this letter. I hope to serve and be an actionable liaison over the next 3 years.

Sincerely,
India Hall
